OFFICE MEMORANDUM

TO : CI/RMO

FROM : CI/MRO

SUBJECT : Comments on CS Name Check Course

REFERENCE: CI/RMO memorandum of 14 October 1964
entitled: Meeting of 18 September etc.

George -

1. Paragraph 6a and 6b should not have been furnished OTR. Internal CS negotiations, positions taken by various components, etc., cannot be reported outside of the CS. If DDP/TRO is annoyed, I will not be surprised--only sympathetic. (If OTR's copies were furnished DDP/TRO for review and delivery, then we're still wrong but off the hook.).

2. I have sent a copy of reference to [REDACTED] with an explanation of why he was selected.
